NEWS RELEASE

LVFH ANNOUNCES SOFT LAUNCH OF BINGOCRUSH.COM IN MEXICAN ONLINE GAMING MARKET

VANCOUVER, BRITISH COLUMBIA. December 20, 2013 - Las Vegas From Home.com Entertainment Inc. (the “Company” or “LVFH”) (TSX-V: LVH) (US OTC Pink Sheets: LVFHF) (Berlin: LVH) (Frankfurt: LVH) is pleased to announce the ‘soft launch’ of Bingocrush.com, an innovative online Bingo room that provides Mexican players with their favorite 90-ball Bingo game as well as online slots. The soft launch will allow the Company to fine-tune its games offerings and add more payment/deposit options, before the official real-money launch in January 2014. To view the site, please visit <http://www.bingocrush.com/>.

Along with the popular 90-ball Bingo game, Bingocrush.com will offer attractive prizes and a comprehensive selection of high-quality casino games such as video slots. Mexican residents will soon be able to play LVFH’s games for free and for real money in their native language and in their local currency and participate in an exciting array of promotions, such as deposit bonuses and progressive jackpots.

The Company will also be expanding its product offerings by building additional targeted niche games for the Latin American market, starting in Mexico, as well as offering a HTML5-based mobile version of the site. The Company believes this new mobile gaming platform will create significant competitive advantages for the Company to acquire new customers and deliver a first-class gaming experience.

Mexico is considered to be one of the most important gaming markets in Latin America. Gaming is an active part of Mexican culture, and industry experts peg the overall Mexican gaming market size at approximately US\$4.6 billion and growing (according to Research and Markets), partly due to the fast-paced growth in internet users in Mexico, expected to reach 48% of the population in 2014 vs. 35.5% in 2011 (Internet World Stats).

“We are excited about our Bingocrush.com soft launch”, commented Jake H. Kalpakian, President of LVFH. “The Mexican gaming marketplace could represent a tremendous growth opportunity for LVFH and our shareholders. Following the soft launch this month, LVFH is planning the full

launch of Bingocrush.com in January 2014 with a large mainstream media marketing and advertising campaign”.

About Las Vegas From Home.com Entertainment Inc.

Since 1999, LVFH has been a reputable provider of innovative gaming software spanning Poker, Casino, and other popular multiplayer games, and is committed to bringing an enjoyable experience to players and delivering great results to operators.
