Jackpot approved by AGCO for Gaming Supplier Licence in the Province of Ontario

Vancouver, British Columbia – January 3, 2017 – **Jackpot Digital Inc.** (the “**Company**” or “**Jackpot**”) (TSX-V: JP) (US OTC Pink: JPOTF) (Frankfurt & Berlin Exchanges: LVH). Jackpot is pleased to announce its licence application has recently been approved by the Alcohol and Gaming Commission of Ontario (AGCO). The licence from AGCO recognizes the Company as an officially registered Gaming Supplier under the Gaming Control Act of the Province of Ontario.

This positive development fully enables Jackpot to grow its electronic table game (ETG) business at OLG Slots at Woodbine Racetrack in Toronto, which is currently operating several of the Company’s ETGs on its casino floor.

President & CEO Mr. Jake Kalpakian states “*This is a very significant milestone for the Company from several standpoints. AGCO has a very rigorous licensing process and it bodes well that we were able to meet their stringent threshold. Also, our approved licence will allow the Company to grow its current ETG business with OLG Slots at Woodbine Racetrack. Furthermore, it will allow the Company to pursue additional business and licensing opportunities for the Company’s products in other casinos and racinos located throughout the Province of Ontario. We are also going to aggressively expand our licensing footprint so you can expect to hear more in the near future about the Company’s licensing activity in other jurisdictions*”.

About Jackpot Digital Inc.

Jackpot Digital Inc. is a leading electronic table manufacturer and mobile gaming provider for the cruise ship industry and regulated casino industry. The Company specializes in multiplayer gaming products, including poker and casino games, which are complimented by a robust suite of backend tools for operators to efficiently control and optimize their gaming business.
