### NEWS RELEASE

#### **Innovations TV Series to Showcase Jackpot Digital**

VANCOUVER, BRITISH COLUMBIA. March 8, 2017 – **Jackpot Digital Inc.** (the “Company” or “Jackpot”) (TSX-V: JP) (TSX-V: JP.WT) (US OTCQB: JPOTF) (Frankfurt & Berlin Exchanges: LVH). Jackpot is pleased to announce that it will be featured on the television show *Innovations with Ed Begley Jr.* (the “Show”), scheduled to air on the Discovery Channel and Fox Business Channel in June 2017. The Company has entered into a Participation Agreement (the “Agreement”) with DMG Productions, LLC to feature Jackpot on the Show.

Viewers of the Show will learn how Jackpot Digital is transforming the casino gaming industry with Jackpot Blitz™, the Company’s next generation gaming platform.

“With the ability to develop custom features for any special requirements, Jackpot Digital is on the cutting-edge of the gaming industry,” said Eric Buckley, Producer for the Innovations TV Series. “We look forward to showcasing this information on the program.”

Mr. Jake Kalpakian, Jackpot President and CEO, states “We are excited to be featured on Innovations with Ed Begley Jr., as it reinforces our position as a leading electronic table games manufacturer. The show will highlight our new Jackpot Blitz product and its potential to be a complete game changer for casinos and poker rooms.”

Jackpot Blitz™ (“Blitz”) will provide gaming operators with unparalleled operational efficiency and profitability through patented dealerless operations, easy-to-use gaming management software, seamless accounting, multi-table tournaments, interchangeable game offerings, and industry leading gameplay speed.

Blitz’s modular software platform can display multiple table games simultaneously on one Blitz table, including poker (Texas hold’em, Omaha, and video poker), blackjack, baccarat, roulette, and other casino games in any combination desired by the operator. The embedded mini-games feature will also allow players to make side bets and to play single player mini-games (blackjack, roulette, and other popular casino games) during cash and tournament poker games. The interchangeable games and mini-games features afford operators unsurpassed flexibility and profit maximization through high table occupancy and continuous gameplay.

Jackpot’s comprehensive back-end system will allow gaming operators of all sizes to offer poker, blackjack, baccarat, roulette, and other casino games using Jackpot Blitz™. Blitz operators will have full access to Jackpot’s mobile application for table, tournament, and customer management from any desktop or tablet computer. The player kiosk facilitates player deposits, payouts, and registration in a simple automated process. The back-end system provides operators real-time reporting and the ability to track profits, rake totals, and other key industry metrics.

Jackpot plans to launch Blitz in Q2 of 2017.
