Jackpot Signs LOI with New Brunswick's Grey Rock Casino for Jackpot Blitz™

Vancouver, British Columbia. October 23, 2017 – **Jackpot Digital Inc.** (the “Company” or “Jackpot”) (TSX-V: JP) (TSX-V: JP.WT) (US OTCQB: JPOTF) (Frankfurt & Berlin Exchanges: LVH1). Jackpot is pleased to announce that it has signed a Letter of Intent (“LOI”) with Grey Rock Casino in Edmundston, New Brunswick formalizing an order for the Company’s Jackpot Blitz™ Electronic Table Game (“ETG”) platform. The table order is contingent on the Company receiving customary certification from Gaming Laboratories International (“GLI”) for the Jackpot Blitz™ ETG.

Jackpot Blitz™ is the Company’s proprietary next generation gaming platform, offering an incomparable player experience to go with unrivalled operator efficiency, flexibility, and profitability. Jackpot Blitz™ represents a significant leap from Jackpot’s industry-leading PokerPro ETG system, which is currently in operation with cruise lines, poker rooms, and casinos. Jackpot Blitz™ is expected to enhance financial and operational security for casino operators and to increase ETG revenues for Jackpot and its clients.

Mr. Jake Kalpakian, Jackpot President and CEO, states “We are excited to sign this LOI with Grey Rock Casino for our first Jackpot Blitz™ order from Canada. The management of Grey Rock Casino is an innovative group, they have a strong casino brand in Atlantic Canada, and we are thrilled to be working with them. Because of its unique design, gameplay experience, and profit maximization features, we are confident Jackpot Blitz™ will have widespread appeal with casino and card room operators of all sizes.”

Mr. John Bernard, Owner of the Grey Rock Casino, states “Our recent struggles with dealer recruitment and retention, as well as our desire to offer our players the choice to play when dealers may not be available, made this an exciting and easy choice for us. Jackpot Blitz is an exciting & innovative product that will allow Grey Rock Casino to offer our customers an unparalleled and innovative gaming experience at the Gateway to the Maritimes.”
