VANCOUVER, BRITISH COLUMBIA. January 29, 2019 – **Jackpot Digital Inc.** (the “Company” or “Jackpot”) (TSX-V: JP) (TSX-V: JP.WT) (US OTCQB: JPOTF) (Frankfurt & Berlin Exchanges: LVH2). Jackpot is pleased to announce that it has entered into and executed an Amendment to the Company’s exclusive Sales Agency and Support Services Agreement with Mascot SFM (“Mascot”), whereby Mascot’s exclusive sales territory shall include the Principality of Monaco in addition to the country of France. As such, Mascot will serve as Jackpot’s sales and technical services partner across France and the Principality of Monaco for the Company’s electronic table games (“ETG”) products.

The Company has received two (2) purchase orders from French casino operators and expects to receive additional purchase orders from French casino operators during 2019. The first Jackpot Blitz™ unit is scheduled for installation in a French casino on January 29th, 2019.

The Company received formal notification that its Jackpot Blitz™ ETG platform was approved for sale to French gaming establishments by the French Ministry of the Interior during September 2018. As such, the Company is a licensed Manufacturer of Electronic Gaming Equipment in France. In partnership with Mascot, Jackpot will now commence the application for a gaming license in the Principality of Monaco.

Jackpot Digital President and CEO Jake H. Kalpakian states “Mascot has been an excellent partner to date and has been instrumental for sales of our tables in France. Monaco has a long history of casino gaming with four large casinos and represents a fantastic opportunity for Jackpot Blitz™. We anticipate continued success through our relationship with Mascot in both France and Monaco.”
