## **ADDITIONAL JACKPOT BLITZ TABLES ORDERED AT CALIFORNIA CASINO**

Vancouver, British Columbia – July 13, 2021 – **Jackpot Digital Inc.** (the “Company” or “Jackpot”) (TSXV: JJ) (TSX-V: JJ.WT.A) (TSX-V: JJ.WT.B) (TSX-V: JJ.WT.C)(US OTCQB: JPOTF) (Frankfurt & Berlin Exchanges: LVH3) is pleased to announce that the Soboba Casino Resort, located in Southern California, has ordered additional Jackpot Blitz™ electronic table games (ETGs).

Soboba initially ordered two Jackpot Blitz™ ETGs and has now increased their order to a total of six tables, creating a fully automated digital poker room.

Jackpot’s President and CEO, Jake Kalpakian, states “Soboba’s confidence in our revolutionary Jackpot Blitz™ ETG reinforces Jackpot’s role as the leading provider of electronic poker table games. We are excited to be working alongside Soboba in providing their guests with a fun, new and exciting entertainment experience. As casinos and cruise ships continue to re-open around the world, brand new orders as well as order-upsizes such as this are illustrative of the exciting growth opportunities our Company has.”

Mr. Stewart Madden, Director of Table Games at Soboba Casino Resort, states “Jackpot Blitz is an innovative, cool, fun and entertaining product and opens poker to a new group of players. From the operations side it takes a labor heavy department and makes it lean and profitable, and we are excited for the future.”

Mr. Kalpakian continues “Jackpot is focused on increasing its land-based footprint and is well-positioned to lead the market as a premier provider of poker and other multiplayer electronic card games. Our focus is to continually add proven and popular specialized games that are not yet available in a digital ETG format. Our ETGs are growing in popularity, and we are very confident that more and more casino/card room operators will install our Jackpot Blitz™ tables in their casinos.”

### **About Jackpot Digital Inc.**

Jackpot Digital Inc. is a leading electronic table games manufacturer and mobile gaming provider for the cruise ship industry and regulated casino industry. The Company specializes in multiplayer gaming products, including poker and casino games, which are complemented by a robust suite of backend tools for operators to efficiently control and optimize their gaming business.
