Jackpot President and CEO, Jake Kalpakian, states “We continue to experience strong demand for Jackpot Blitz®. Our customers tell us that Jackpot Blitz® is more attractive than ever before because of the many problems it solves, including reducing labour expenses and the ability to fully automate the tournament functionality of a large-scale poker room. We are not aware of any other poker-first machines like Jackpot Blitz® in the marketplace, so we are uniquely positioned to take advantage of the macro trend toward automation in the casino industry. Through the innovative dealerless Jackpot Blitz® technology, casinos are quickly recognizing the benefits of more revenues by dealing more hands per hour while at the same time drastically reducing costs and eliminating operational/employee requirements all at once.
