

JACKPOT DIGITAL SIGNS FIVE TABLE AGREEMENT WITH WIN-RIVER RESORT & CASINO

Vancouver, British Columbia – June 5, 2025 – Jackpot Digital Inc. ("Jackpot Digital" or the "Company") (TSXV: JJ) (TSXV: JJ.WT.C) (US OTCQB: JPOTF) (Frankfurt Exchange: LVH3), a leading provider of dealerless electronic poker tables to the global gaming industry, is pleased to announce that it has signed an agreement (the "Agreement") to install five of the Company's Jackpot Blitz® dealerless poker machines at Win-River Resort & Casino ("Win-River") located in Redding, California, USA. The installation is subject to all customary licensing and regulatory approvals.

Win-River previously ordered three Jackpot Blitz® tables from the Company, but the order was cancelled due to GLI certification delays in 2022. With GLI certification now in place for Jackpot Blitz®, the order has been renewed and increased from three to five tables.

This increased order highlights the growing demand for Jackpot Digital's innovative Jackpot Blitz® poker electronic table games ("ETGs"), reinforcing the Company's leadership in dealerless poker ETGs. The expanded order also reflects Win-River's confidence in the product's ability to enhance its gaming experience and generate greater revenue for its casino operations.

"We are excited to re-engage with Win-River around our revolutionary dealerless poker ETGs," said Jake Kalpakian, President and CEO of Jackpot Digital Inc. "We look forward to delivering five units to the Win-River property. We view our casino customers as partners and we will work hand-in-hand with Win-River to deliver an unmatched gaming experience to its players."

The Jackpot Blitz® is a fully automated dealerless poker ETG with a fast-paced and highly engaging 75" touchscreen tabletop that combines the excitement of traditional poker with cutting-edge dealerless technology. It offers a range of betting options and allows for a seamless, efficient gaming experience, appealing to both seasoned players and newcomers alike.
