

JACKPOT DIGITAL GOES LIVE IN THE U.S. VIRGIN ISLANDS

Vancouver, British Columbia - July 8, 2026 - Jackpot Digital Inc. (TSXV: JJ) (U.S. OTCQB: JPOTF) (Frankfurt Stock Exchange: LVH3) (the "Company" or "Jackpot Digital"), the leading manufacturer of dealerless multiplayer electronic poker tables to the global gaming industry, is pleased to announce the successful installation and launch of its Jackpot Blitz® dealerless electronic poker table games ("ETG") at Divi Carina Bay Casino Resort, located in Christiansted, St. Croix, U.S. Virgin Islands.

The Jackpot Blitz® ETG is now live and available for play. Divi Carina Bay Casino Resort, operated by Treasure Bay, is a beachfront destination offering a full-service casino, oceanfront accommodations, and a variety of dining and entertainment amenities. It is also the only all-inclusive casino resort on St. Croix.

This installation marks Jackpot Digital's first deployment in the U.S. Virgin Islands and its fifth active casino installation in the Caribbean, further strengthening the Company's growing footprint across the region. The Caribbean continues to be an important growth market for Jackpot Digital as casino operators increasingly seek innovative, cost-effective alternatives to traditional live-dealer table games.

"We are excited to bring Jackpot Blitz® to Divi Carina Bay Casino Resort and to continue expanding our presence throughout the Caribbean," said Jake Kalpakian, President and CEO of Jackpot Digital. "This installation reflects the growing demand we are seeing for our dealerless ETGs across the region. We look forward to building on this momentum as we introduce our technology to additional casino operators and their players."

The Jackpot Blitz® is a fully automated, dealerless electronic poker table featuring a large 75" touchscreen interface. Designed for maximum engagement, it blends the thrill of traditional poker with modern, streamlined gameplay. Its advanced technology supports a variety of betting options and delivers a user-friendly, fast-paced experience, suitable for both casual and experienced players.

The Company's roster of clients includes cruise ship customers and its expanding footprint of land-based installations across the United States, Canada, and other international jurisdictions.
